## ANNOUNCEMENT

On account of the scarcity of pure-bred cattle in this section, and my desire to stimulate the sale of registered cattle here, I purchased last November the entire herd of 165 head of Shorthorns owned by Templeton & Son, Tekamah, Neb. One hundred of these I exposed at auction in the sale here last December, and about 40 head were sold March 1st, leaving 25 head now in my possession, including the superb sire, Victorious Dale, a splendid string of young bulls and a few of the best cows of the herd, most of which are straight Scotch. To these I have added some fifteen head of the most attractive straight Scotch females I could procure, and all will be included in my auction here on June 4th. Some grand young bulls, prospective herd headers of the best breeding, quality and type, are catalogued, and the females in calf to such bulls as Victorious Dale and Dale's Goods are of great value. The most of these females will either have calves at foot or be within a month or so of calving at sale time. The calves of Victorious Dale sold in December, as well as a few herein catalogued, speak for themselves, but I wish to say for the white bull Dale's Goods that I saw a number of his calves recently, and a more attractive array of roans I have never seen. It has been said that we do not quite get the value of such animals as we offer here at Mount Pulaski. I realize that there is some truth in it, but remain steadfast in my purpose of building up pure-bred interest in this territory, and the same straightforward methods will be strictly adhered to, and each animal will be sold as usual, without boosting, by bidding or reserve of any kind. We cordially invite all to come and help yourself to the bargains.

W. C. McGAVOCK.

Mount Pulaski, Ill., May 1st, 1917.

**Victorious Dale 410241** is one of the great young breeding bulls of this country. I sold a number of his get in the auction December 13th and 14th, 1916, and they were admired by all who saw them. Only a few of his get are herein catalogued, but they are good. Individually he is of the best type, with most excellent Shorthorn character and finish. A better head and horn it would be indeed difficult to find, and he is wide out, thick and symmetrical. He represents in his two top crosses an intensification of the blood of Whitehall Sultan, the greatest bull imported to America within recent years. His second dam was by imp. Black Watch, by Remus, the sire of Choice Goods. His next dam was bred by Mr. Willis and his other dams were bred by Mr. Cruickshank.
